RECOGNITION OF PRIOR LEARNING APPLICATION: COSMETIC SURGERY TRAINING PROGRAM

Applicants must refer to the [ACCSM Recognition of Prior Learning Policy](#) and [ACCSM Cosmetic Surgery Training Program Curriculum and Handbook](#) before submitting their application for recognition of prior learning (RPL). It is essential to comply with the stipulated timelines and provide sufficient detail and supporting evidence for an RPL application to be considered.

1. Applicant information

First name	
Last name	
Mobile number	
Email address	
Date of commencement in the training program	

2. Specific claimable component/s

Specific training or completion of research can be claimed if deemed comparable to the learning outcomes of the cosmetic surgery training program.

Please indicate if you are claiming any of the below and provide supporting evidence. Evidence must be sufficient for the ACCSM to form the view that your training is comparable to the corresponding learning outcomes of the training program. Examples are provided.

Training Program component	Claimed (pls tick)	Supporting evidence examples (you must include substantiating evidence for each claim)
Research project		For peer reviewed articles: Acceptance of publication citation. Also include details of the start and end dates of the project, ethics approval, your role within the project, and a
